

Batemans Bay nbn[®] Community Hub

Masterclass monthly schedule

Take a look at what's coming up this month in our Masterclass sessions. These classes are designed to help everyone, from people with little to no knowledge, right through to those people who have a strong grasp of the digital world we live in today.

nbn 101 – Digital Legacy

Join us for an interactive session to learn about how you can manage and plan for your digital legacy. We will cover some important information about your digital presence and digital assets and tips on how to ensure the peace of mind of you and your family.

[Upcoming classes in December](#)

10:30am on the 15th of December

2:30pm on the of 20th of December

nbn 101 - Scams Awareness / e-Safety

If you've ever been worried about online scams or you're simply looking to upskill your digital safety, this is the course for you. Learn tips on how best to avoid online and phone scams, discover helpful advice on what to do if you're ever a victim of a scam, and find out where you can go for more information.

2:30pm on the 18th of December

nbn 101 – Emergency Preparedness

nbn is calling on Australians to put safety measures in place and follow some simple tips to help maintain communications during emergency and disaster events. It is important for households to be prepared in the event they lose connectivity, and make sure family members are aware of what to do.

Upcoming classes in December

10:30am on the 6th and 12th of December

Fixed Wireless and Satellite Upgrades

Work is underway in the Eurobodalla to deliver nbn's Fixed Wireless Upgrade Program, designed to benefit homes and businesses. It will expand the reach of the existing nbn Fixed Wireless footprint by at least 50 per cent, as well as enabling two new high speed Fixed Wireless plans.

Upcoming sessions in December

2:30 pm on the 8th and 13th of December

Fibre Connect Upgrade Program

nbn is committed to keeping ahead of data demand and helping unlock social and economic benefits by pushing fibre deeper into communities and extending fixed wireless and satellite coverage and capability. We're committed to upgrading the nbn® network to enable approximately 90 per cent of the Fixed Line footprint.

Upcoming sessions in December

10:30am on the 7th of December

Digital Ability Program

The nbn Community Hub delivers no-cost digital literacy sessions. Presentations include, but are not limited to, getting online, e-safety and scams awareness, smart devices, navigating government websites and apps, how to get the most out of your internet experience and emergency preparedness.

Drop in or email us at batemansbayhub@nbnc.com.au to register.

Sessions are offered every Monday, 11:30am – 12:30pm. Bookings essential

Bookings can be made in person at the hub or by emailing:
BatemansBayHub@nbnc.com.au

All Masterclass sessions are held at: 3 Clyde Street, Batemans Bay NSW 2536.
