

FIXED WIRELESS CO-LOCATION PRICING FOR EMERGENCY SERVICES ORGANISATIONS (ESO)

Pricing

Table 1 – One off fees

Item	Price (per application)
Preliminary Information Fee	\$597.02
Application Fee	\$2,985.13

Notes:

1. The Preliminary Information Fee is applicable if the ESO submits a “Level 1” application for preliminary information regarding a site. If the application does not progress beyond this stage, only this fee is charged.
2. The Application Fee is applicable if the ESO’s application progresses beyond “Level 1” stage and the ESO submits a design and construction plan for nbn’s review. In this case, both the Preliminary Information fee and the Application Fee will be charged.

Table 2 – Recurring annual fees

Item	Price (per unit)
Annual Site Charge	\$4,776.21
Minimum Annual Charge (see <i>Terms and Conditions</i> #2)	\$16,477.92
Antennas	
Yagi antenna up to 1.5m	\$1,313.46
Omni antenna up to 2.4m	\$3,462.76
Panel antenna up to 2.8m; up to a total of 6 antennas	\$5,253.83
Microwave Dishes	
600mm Dish	\$3,104.53
900mm Dish	\$4,179.18
1200mm Dish	\$5,612.05

1800mm Dish	\$9,671.82
Auxiliary	
Additional Panel antenna up to 2.8m	\$3,820.97
Additional Tower Mounted Amplifier (TMA)	\$358.21
Combiner	\$358.21
Triplexer / Quadplexer	\$358.21
Remote Radio Unit (RRU)	\$716.44
Additional Radio Access Unit (RAU) or equivalent with 1 feeder up to 1/2"	\$358.21
Additional coaxial feeder cable up to 7/8"	\$358.21

Notes:

1. Each Panel antenna includes 1 TMA and 2 feeders up to 7/8".
2. Each Yagi and Omni antenna includes 1 feeder up to 7/8".
3. Each Microwave dish includes 1 RAU and 1 feeder up to 1/2".

Table 3 – Price on application

Item	Price
Antennas greater than or not listed in Table 2	Price to be determined by nbn on application
Microwave Dish greater than 1800mm	Price to be determined by nbn on application
Any other equipment not listed in Table 2	Price to be determined by nbn on application
Additional primary aperture charge	Price to be determined by nbn on application
In-compound charge (applies when the ESO does not have a separate lease area with the landowner)	Price to be determined by nbn on application

Terms and Conditions

1. The prices in Table 1 and 2:
 - a. Are effective from 1 July 2026;
 - b. Are exclusive of GST; and
 - c. Escalate by 3% on 1 July each year.
2. The annual licence fee charged by nbn to the ESO is a sum of the applicable charges from Table 2, Table 3 and the Annual Site Charge. If the annual licence fee is less than the Minimum Annual Charge, then the Minimum Annual Charge will apply. If the annual licence fee is more than the Minimum Annual Charge, then this charge will not apply.
