

## Lifting the Digital Capability of Australia

### Resilience

What **nbn** is doing to provide a high-speed, resilient and secure broadband network.

### Enhancement

What **nbn** is doing to deliver superior customer solutions and make existing products better.

### Innovation

The new wholesale products and services **nbn** is supplying customers

### Simplification

Making **nbn** easy to do business with.

### Inclusion

How **nbn** is bridging the digital divide and lifting digital inclusion for Australians.

### Pricing

Updates to the wholesale pricing of **nbn** offerings to deliver affordability and value, and enable **nbn** to invest in the future strength of the **nbn**™ access network

About this document: nbn's Integrated Product Roadmap provides a forward view of upcoming nbn product, customer experience, and NPIS\* initiatives that affect Retail Service Providers (RSPs). The forward-looking statements set out in the Integrated Product Roadmap represent nbn's current position at the time of publication. All dates are forecast only. Where possible, nbn endeavours to provide a comprehensive view of RSP-impacting developments. The roadmap is subject to change and is not binding.
